CCMS distributed grants to 13 small businesses for costs including storefront renovations, equipment purchase, social distance compliance, outdoor dining structures, and enhanced signage.

As a new program, Chevy Chase Main Street focused on getting capital funds in to the hands of small businesses. While many businesses were able to navigate PPP loans, several businesses struggled to find resources for important projects like HVAC repair and physical accessibility amongst COVID-specific grants. Working with volunteers and businesses, CCMS’ first grant round helped demonstrate the value a Main Street can provide while also encouraged local businesses to invest in improvements that benefit the community as well as the coordination and time of volunteers.
